Jesus + Nothing = Everything

"Jesus + Nothing = Everything" is a phrase that encapsulates the central message of the Gospel according to the Christian faith. It reflects the essence of salvation, emphasizing that our relationship with Jesus Christ is the source of our identity, purpose, and fulfillment. In Galatians, Paul passionately argues against the necessity of circumcision and other Jewish rituals for salvation, asserting that they are not required for Gentile believers. He emphasizes the concept of

spiritual freedom in Christ and warns against returning to a life of bondage to the law. Paul is explaining to the church of Galatia the foundational principle that salvation is by grace alone, through faith in Christ alone, and not through works or adherence to religious rituals or laws. As Christians, we have to constantly preach the Gospel to ourselves. Satan wants Christians to minimize the work of the cross so that he can wreak havoc in our lives. Christians can often fall into this trap of legalism or work-based righteousness. However, Paul makes it very clear that salvation is faith alone in Christ. It is important for the oldest believer and the newest believer to remember Jesus + Nothing = Everything. This equation invites us to surrender our striving and self-reliance, recognizing that Jesus paid it all so that we may have eternal life.

Galatians 1:3-5

3 Grace to you and peace from God our Father and the Lord Jesus Christ, **4** who gave himself for our sins to deliver us from the present evil age, according to the will of our God and Father, **5** to whom be the glory forever and ever. Amen.

I look forward to worshiping with you this Sunday!

Heritage Riders Time Change

Well the weather looks a bit wet for this Saturday. So we have plans B and C.

Plan B: If the weather modelers get the forecast wrong (as they so often do) and the tornado damage to the areas around NWA, we will ride to Farmington and eat at the Briar Rose Cafe. We will go up Hwy 71 with a stop at Artist Point for a leg stretch, then return home on Hwy 59. We will

leave Heritage at 9:30 am.

Plan C: If the modelers get it right and there is rain in the area, we will go to D's at cloverleaf and eat some breakfast and still get to laugh and talk with each other. I will still be going to Heritage to make sure there is no stragglers that did not get the memo and leave the church at 9:30 am heading to D's.

Take note of the time change we are meeting at **9:30 am now**. As always bring your favorite ride (motorcycles, cars, trucks, etc.) and bring a friend. See you all this Saturday.

Thank You

Heritage Church,

I wanted to thank you all so much for your support in this incredible opportunity. Your faithfulness, encouragement, and prayers are all qualities that I have always admired growing up; I cannot wait to share the fruits of those and more with the people in Africa. The Lord has built an amazing community within the members of Heritage. I am so thankful for every one of you, and I can't wait to share with you all how God grows His kingdom through this experience! I love you all more than you know!

Missionary Report

In April of 2025 we plan to move to Osaka, Japan to begin ministry full time. Our plan is in alignment with God's dream of building a community of faith in Ibaraki-shi Osaka, Japan. Our hope is to be able to share with them the love, hope, and fellowship of Jesus and to lead them to an intimate relationship with our Savior. Living there is quite costly and we need consistent monthly support by singles, families, and businesses to keep us afloat and in full capacity. Along with prayer, financial support is our biggest need. If you would like to join our support team, please reach out to us through our contact given below. We would love to sit down to talk with you and discuss all the details of our ministry. Any support can be given to us via the website link for Youth With a Mission Ozarks below. Let us know if you're interested and thank you for being our church!
